TeachMeet East London 2018 #TMEL2018

TeachMeet East London is made possible through the Challenge Partners East London Hub and the collaboration of the partner schools of: Compass School, Mulberry School for Girls, St. Gabriel's College, and Swanlea School. Challenge Partners enables collaboration between schools to enhance the life chances of all children in an ever-changing world. Their mission is to improve pupils' outcomes and reduce educational inequality through effective collaboration, enabling every pupil to experience the combined wisdom of the education system.

The partner schools in the East London Hub have brought together just a few examples of some of the excellent practice that takes place every day in the classrooms in our Hub. Our aims for this evening are to both learn from the excellent practice of others and to celebrate the outstanding teaching of our partner schools in a relaxed and informal setting.

Many thanks to Swanlea for organising the venue and facilities, to St Gabriel's for providing the music, and to Mulberry for organising the refreshments. Many, many thanks to all our presenters. Every presenter has been given an inspirational book on education as a thank you for sharing their practice. We hope you enjoy your evening.

How does a Teach Meet work?

1. All guests should choose a presenter to start with. Each presenter should have an audience of around 8-10 so spread out!
2. The presenter will speak for 7 minutes, which will include their presentation and questions from the audience.
3. When the bell rings, move on!
4. Take part on twitter by using our hashtag #TMEL2018

#TMEL2018

#TMEL2018 The Line Up!

Wednesday 27th June 2018

From 3.45pm Arrival and registration
Refreshments available

4.15pm Teach Meet East London 2018 begins!
