Dear, Headteacher,

I am writing to say thank you to Swanlea pupils and staff for Christmas Charity Carol Singing fundraising at the hospital in December for London's Air Ambulance that raised a brilliant **£95.45**

As the Capital's only helicopter emergency medical service, London's Air Ambulance is at the forefront of attending the most seriously injured Londoners. Based at the Royal London Hospital, we serve the 10 million people who live, work and commute within the M25 orbital motorway.

Receiving only partial funding from the NHS, our ability to continue to serve severely injured people is dependent on the generosity of members of the public and various groups and organizations.

We are very grateful for your support of London's Air Ambulance – it is very much appreciated. We hope to collaborate next year too if possible!

Yours sincerely,

Mick Smyth
Chaplain Barts NHS Trust
