### Task Outline:

#### PATTERN

To begin the Summer term we will be looking at Pattern. It follows on nicely from the work done before on contours.

I'd like you to try a few different examples. It is important you follow each step. If you do this and spend enough time rendering this work should end up looking fantastic.

As always there are so many brilliant examples on Pinterest. I've included one weblink but feel free to find your own ones too.

I will be sending examples of your work to Ms Dowling and hopefully some can be published in the school newsletter.

Submit online on SMH or send by email to
