20th October 2021

Dear Parent/Carers

Re: Maths Catch-up Programme

I hope this letter finds you well.

I am writing on behalf of the Maths department to inform you that your child has been selected to attend afternoon catch-up sessions from 3:15pm - 4:15pm after the half term.

They will attend the Maths Catch-up Programme for one session per week to address gaps in their knowledge with a Maths specialist. The focus will be on key number and algebra units as are essential to understanding the wider Maths curriculum.

We will be hosting a parent's information evening **from 3:30pm on Thursday 21st October 2021**. Should you have any questions about the process, please feel free to attend.

Whilst the sessions are compulsory, we would appreciate it if you could encourage your child to understand the importance of these sessions.

Thank you for your support.

Yours faithfully

Mr J Stewart
Head of Mathematics
